**NAIROBI**

The capital of Kenya, Nairobi is known as the 'Green City in the Sun' and the city with a national park. There are over 100 major international companies based in Nairobi and it is home to the UN headquarters for Africa & Middle East making it one of Africa's key players. You never run out of places to be, few are; David Sheldrick Elephant Sanctuary, Nairobi National Park (the park within a city), the Giraffe Centre, Nairobi National Museum, Nairobi Railway Museum and Karen Blixen Museum.
